**A Study in God’s Word** Based on 2 Chronicles 21–24

---

God used a “senior citizen” to deliver the Kingdom of Judah from foreign control and to save the line of David from destruction. This story of independence—and dependence—provides timely lessons as we prepare to celebrate the 250th anniversary of our own Declaration of Independence.

### 1. The Cause for Judah’s “Revolutionary War”

Jehoram’s sinful choices

Ahaziah’s foolish alliance

Athaliah’s genocidal ambition

### 2. The Course of Judah’s “Revolutionary War”

Jehosheba’s courageous action

### 3. The Conclusion to Judah’s “Revolutionary War”

Jehoiada’s courageous action

May God give each of us:

The Wisdom to wait on Him

The Courage to stand for Him

The Faith to obey Him
